

Human Values and Professional Ethics: Lecture Program

Educational institutions play a crucial role in inculcating values among the young generation which helps them to become responsible citizens in future. Keeping in view this major objective, the premier institution has organised a lecture program on “Inculcating values for being responsible citizens as reflected in the Constitution of India” under the initiative of IQAC on 4th March 2021. Around 60 students (Arts and Science) accompanied by faculty members from both Science and Arts stream participated in the program. The main highlight of the event was the guiding values of the Indian constitution and the various ways by which the students have to imbibe to become responsible citizens. The normative/ethical nature of the constitutional values was made aware to the students. The lecture made them aware of the underlying values enshrined in the Indian constitution i.e., Democracy, Socialism, Secularism, Sovereignty, Republican character of the Indian state, justice, liberty, equality, fraternity, human dignity and the unity and integrity of the Nation. Moreover, our Constitution prescribes some Fundamental Duties, which are to be performed as citizens of India. The values of these Fundamental Duties were also stressed upon. Fundamental Duties have still greater importance because they reflect certain basic values like patriotism, nationalism, humanism, environmentalism, harmonious living, scientific temper and enquiry, gender equality, and individual and collective excellence.
