### Students' suggestions

We asked the students some questions and their suggestions for the upliftment of the college and these are their response to the questionnaires. Some students suggested improving laboratory conditions for science students. The students also wished to increase number of smart classes and to take more field trips and industrial visits for better and more practical learning experience. They also suggested setting up one medical store/health centre at college premises. They argued to increase number of quality books in the departmental as well as college central library. Some students suggested more extra-curricular activities like sports week, cultural programme to be conducted.
