ANANDARAM DHEKIAL PHOOKAN COLLEGE

NAAC accredited with B++ Grade with CGPA 2.94 (3rd Cycle)

Special facilities provided for women

ADP college facilitates special provisions for women. The college has particular cells for addressing issues related to girls and women and the college has been continuously working in that direction. The College has Anti-Ragging Committee, Students grievance redress cell and Gender Sensitization Committee against sexual harassment. The committee works hand in hand in fostering healthy interpersonal relations among students and addresses issues and provides them counseling and justice whenever required.

- The college has also installed CCTV in each classroom to monitor activities of students in the classroom.
- Apart from that, there is a well-spaced common room for girls, which creates opportunities for students to interact and indulge in different activities.
- Moreover, a sanitary vending machine is installed in the girl's common room.
- The college also provides two hostel facilities for the girls. It also ensures that those who are meritorious and economically weak get the first service. This is a step towards more and more enrollment of girls in the college.
- The total number of girls enrolled in both the hostels are 146 (Hostel no 1=33 and Hostel no 2= 113).
